

# AFTER INFUSION CONSIDERATIONS

Here's a list of considerations to keep in mind after your infusion. Once you've completed the corresponding task, add a check mark (✓) in the box below.

Watch out for any possible side effects.  
You may report side effects to the FDA at 1-800-FDA-1088.

✓

Mark your next infusion in your calendar.

Write down anything you would change or bring to your next infusion.

Let your Patient Access Liaison (PAL) know how your infusion went.\*

Do something nice for yourself! Reward yourself for taking care of your health with a yummy meal, a good book, or any other treat that you enjoy.

**Make sure you have your REMS Patient Safety Card with you at all times while you are receiving treatment and for 3 months after your last dose.**

\*If you have a BKEMV prescription and haven't connected with a Patient Access Liaison (PAL), you can call 1-833-842-8477 Monday-Friday, 8 AM-8 PM ET. The PAL is a dedicated support partner who helps investigate, explain, and educate on the steps in your treatment experience. Your PAL partners may support and champion you while accomplishing your treatment goals.

**Please see full Prescribing Information, including **BOXED Warning**, and Medication Guide for BKEMV.**
